Our LWV Huntington coordinated a nonpartisan Get Out the Vote Public Service Announcement with Connoisseur Radio ***reaching over one million listeners on Long Island!***

We interviewed several Town, County and NYS local elected officials as to their position on issues and communicated our LWV issue priorities, i.e., environment, water quality and the dredging of Northport Harbor.

We held over 30 Voter Registration Events throughout our ***region resulting in approximately 2,000 new voters Registering to Vote!***

We attended **19 Naturalization Ceremonies**, organized Voter Registration Trainings ***at 5 colleges and 6 local High Schools.***

We conducted ***several Meet the Candidate Events*** to help educate the community of our local Candidates positions prior to Election Day.

We have ***developed a teen survey*** to be distributed to local High Schools this fall. We hope to identify strategies to increase civic engagement and voter registration.

We worked with our intern from Farmingdale College ***to develop a new program for Women's History Month for Girls Inc at Brentwood High School***

We support and communicate the benefits of VOTE411.org, a LWV Information portal on Elections, Candidates and
